## BeamLine Operations and Safety Awareness (BLOSA) Checklist Beamline X22A [ ] X22B [ ] X22C [ ] Rev. 12-1-2006

Visitors shall not use this BLOSA form - use the Visitor/Escort form at each entrance to the Experimental Floor. This BLOSA form is only for those individuals who will work on the beamline. They must have already completed NSLS access training, including GERT and the NSLS Safety Module (users) or Sci/Tech Module (beamline staff).

Completed NSLS Safety Training and GRFT OR training is current	Confirm that Each User:						
Temergency phone numbers: Fire/Medical x2222, Security x2238, Control Rm x2550, Bldg. Manager x3476	[] Completed NSLS Safety Training and GERT OR training is current [] Obtained a TLD from either NSLS User Administration or the NSLS Control Room ONLY IF the user a) is Resident Beamline or NSLS Scientific/Professional/Technical staff, b) works in Bldg. 729, c) is a minor, i.e. under 18 years of age, d) has a declared pregnancy, e) is working with radioactive materials, f) is following other NSLS ESH requirements.
